

Dear Bike for Change friend,
I am amazed and overwhelmed by your generous gift to Baptist Children's Homes through proceeds from your Bike for Change event. As a resident of this ministry, your support means so very much- it means that you care.
Thank you!

Before coming to BCH, my life at home was jumbled up. There was conflict within my family. We were growing apart. I felt indifference towards my biological father because he chose drugs and alcohol over me. It made me push my mom, my step dad, and other members of my family away.

Baptist Children's Homes is a great place. When I came here, I didn't know what to expect, but the people around me here have helped me overcome some very personal, very real obstacles. They are people who love you unconditionally. It is where I have accepted Jesus as my savior. I am a better person today because of the difference BCH is making in my life.

Every prayer that you have prayed and every dime that you have given to this ministry makes a difference. I should know, I am a life that has been forever changed because of your actions.

Thank you for caring.
